8. Permit the attainment of one youth employability enhancement if pre tests indicate that only one competency is needed. (UT97-016)	X					When determined that a youth needs training in only one competency, that competency must be provided (not necessarily funded) by JTPA. Proficiency in two or more skill areas must still be demonstrated.
9. Waive the requirement that precludes OJT with a participant's "current employer" in "upgraded job" for Title II eligible participants. (UT98-019)	X					The requirement which precludes OJT with a participant's "previous or current" employer in the same, a similar, or upgraded job is not waived for Title III.
10. Permit subsidized employment with private-for-profit employers to permit limited internships 1) adults under title II-A, and 2) for youth who do not meet economically disadvantaged requirements under "10% window." (UT98-017 and 018)	XX					Services under this waiver for non-economically disadvantaged youth is governed by the 10-percent window which may not be exceeded.
11. Permit alternate State policy for individualized objective assessment and individual service strategies with federal policies serving as non-binding guidance. (UT98-020)	X

3. Eliminate title III reallotment and reallocations limitations. (UT97-012)			X			Allocation issue which cannot be waived. However, Utah has already been granted a four-year waiver to carry over prior year funds contingent upon meeting the 80% expenditure requirement. Further, a State's policy for recapture and reallocation of unexpended Title III funds within a state can accommodate obligations to serve dislocated workers across program years.
4. Standardize property management requirements for property procured before July 1, 1993, with requirements for property procured after that time. (UT97-014)	X					
5. Use state guidelines for procurement rather than JTPA procurement requirements. (UT97-013)	X					
Wagner-Peyser						
1. Allow Governor to delegate the opportunity to review, comment on, and modify the Annual Plan. (UT97-009)	X

2. Eliminate federal reporting requirements for all detailed activity information not being used as "outcome" measurement information or not required for Vets, Claimant, or Migrant/Seasonal Farm Worker program reporting. (UT97-015)					X	Details describing data elements to be omitted from or included in the proposed reporting system are not included in the waiver request.
2. Eliminate plan requirement to describe agricultural community services. (UT97-008)			X			Information about services provided to migrant and seasonal farm workers is necessary to assure the State's compliance with 20 CFR 653 Subpart B.
Period of the granted waivers: PY 97 (9/30/97-6/30/98); extended one more PY from (7/01/98-6/30/99). Performance goals under the granted waivers: PY 97 (9/30/97-6/30/98) 4% increase over 96 actual performance; PY 98 one year extension 1% increase over 97 actual.						

NOTE: A cell with more than one "X" indicates a situation where two (2) discrete waivers in the same area have been combine for response. Each should be counted in the total.
